Regional Minister To Conduct Services At Jehovah Witnesses

The Cameron congregation of Jehovah's Witnesses will have a pleasurable week resulting from the semiannual visit of W. Phillips, regional minister and representative of the Watchtower Bible and Tract Society of Brooklyn, New York, according to Fred Starnes, Congregation Servant.

Phillips is serving in the capacity as regional minister. His territory includes a several county area in central and south-central Texas.

Phillips visits each congregation to offer counsel and to assist them in their instruction that will aid them in their further study of the Bible. This is based on his observing throughout the week the progress and activity of the group.

His visit will be climaxed by a lecture to be given at 7 p. m. Sunday, Jan. 17. The subject will be, "Happiness in a World of Gloom."

LITTLE RIVER PHILOSOPHER FIGURES OUT SOLUTION TO PROBLEM OF LOW ATTENDANCE AT TELEVIEWED EVENTS

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River is way out of his territory this week, as you'll discover by his letter.

Dear Editor:

I noticed in a copy of a newspaper which the wind wrapped around a fence post out here the other afternoon and I removed it to keep the post from falling over where there is a lot of discussion over how many football games and other college athletic events ought to be televised.

While this problem does not directly concern me or the amount of Johnson grass I expect to have in my crops this year, it is something to think about and I'll think about anything in preference to working.

A I understand it, colleges are worried about television, on account of more and more people discovering it's nicer to sit in a comfortable living room at home than it is to fight traffic to a cold stadium, and attendance is being affected. Everybody knows football is designed as a sport, for the benefit of the players, but without a stadium full of paid fans, universities seem to lose interest in the project, claim softball between classes is just as good.

I do not look at it this way. Football is a wonderful spectacle, a great game, and it's designed for the fans, whether they see it in person or on their television sets. If all the tax payers are gonna get out of colleges is college graduates, it ain't worth it.

Therefore I think you ought to start a move to get more football games televised, and also basketball games, baseball games etc. Naturally I recognize this will cut down on attendance, in fact I can foresee the time when the annual bowl games on Jan-

uary I will be attended by only the players, the sideline tacklers, the officials and a few paper napkins blown around in the empty stadium.

Naturally this is gonna create a problem. With no paid attendance, football is gonna become a losing proposition and colleges are gonna want to shift to something else. In fact, the players themselves will lose interest.

But I've got a solution. Why don't they keep the films say of the bowl games already played, and each New Year's day just run one off on television? You take a bowl game film two or three years old, I'll bet there aren't a tenth of the fans who can remember what happened. Every New Year's just run one off, with all the sound effects, and the thing will work out satisfactorily. There must be enough film on hand now to last eight or ten years, and after that they could shut down the television stations a while and produce some more.

If you don't think this will work, you won't be by yourself.
Yours faithfully,
J. A.

Rockdale Home Building Spurts

Thirty-four new residential units were listed in the December construction for Rockdale, according to C. E. Ziegler.

Estimate for the month totaled \$265,771. The bulk of the building program was for the Coffield Addition, where 24 new Veterans Administration-approved homes are being built. Six homes were slated in Milam Oaks by the B. J. Construction Company.

Others are scheduled for the Hogan and Hillcrest additions on Highway 79.

A thoughtful gift for the dairy herd is a water heater. It doesn't have to be a fancy job — just one that will keep their drinking water warm. Milk is approximately 87 percent water and if the milking herd doesn't drink because the water trough is frozen or too cold, production will drop.

MRS. THOMAS RAY SHEGUIT

Marritta Richter Becomes Bride Of Thomas Sheguit, December 26

Marritta Agnes Richter and Thomas Ray Sheguit were united in marriage in a double ring ceremony, December 26, 1953 at St. Monica's Catholic Church of Cameron. The nuptial rites were read by Rev. George Duda, pastor of the church.

Nuptial music was rendered by St. Monica's choir, accompanied by Mrs. Frank Hanel, organist.

The bride, given in marriage by her father, was radiant in a crystal white satin wedding gown, designed with a picture neckline and a small inset of nylon tulle around the front. Long satin sleeves tapered to petal points over her wrists with tiny

covered buttons down the front. The figurine bodice scalloped onto a voluminous satin skirt of unpressed pleats, worn over double hoops and starched crinolines and swept into a chapel train. She carried a white prayer book showered with Sephanotis and topped with a white orchid.

Her fingertip veil of French illusion was caught to a half bonnet of satin, outlined with tulle ruffles and trimmed with tiny pearls.

Miss Leeola Richter, sister of the bride, was maid of honor. Her gown was of Queen Ann's light blue taffeta designed with a fitted bodice, rounded neckline design of tiny blue beads, and covered buttons accented down the back. Her matching hair dress was designed of four rows of rolled taffeta that formed a tight fitted cap. She wore elbow length gloves. Her colonial bouquet was made of dark blue carnations. Identical gowns were worn by the bridesmaids, Miss Marjorie Richter of Cameron and Miss Lucille Duncan of San Antonio.

Paul Sheguit served his brother as best man. Groomsman were Joe Zarosky of Camp Chaffee, Arkansas and Wilfred Polzer of A&M College. Ushers were Johnnie Joe Balcar of Rockdale and Teddy Allen of Dallas. The groom and his attendants wore Navy blue suits with white button-aieres.

Immediately following the ceremony a reception was held at Simon-George Memorial Hall. Miss Agnes Sheguit, sister of the groom, registered the guests in the Bride's book.

The bride's table, which was laid with a white handkerchief cloth, was centered with the four tiered wedding cake which rested on a reflector. Mrs. Joe Walzel of Austin served the cake and Misses Evelyn Boedeker of Taylor and Ethylene Moraw of Cameron assisted at the coffee service. Approximately one hundred and fifty guests were served.

During the noon hour a dinner was served and at five o'clock a supper was given. The couple was honored with a dance that night at the Knight's of Columbus Hall.

The mother of the bride and the mother of the groom wore navy blue crepe dresses and white carnation corsages.

For traveling, the bride chose a wine colored suit with winter white and black accessories.

Mrs. Sheguit is the daughter of Mr. and Mrs. Adolph Richter of Cameron. A 1951 graduate of Yoe High School, she is at present employed at Mack's Oil Company here.

Mr. Sheguit is the son of Mrs. J. W. Sheguit of Cameron, and the late Mr. Sheguit. He attended school in Beaumont and graduated from Houston Telegraph and Business School.

Mr. Sheguit is now employed at Alcoa in Rockdale.

After a short wedding trip, the couple are making their home at 703 West Main street in Cameron.

Out of town guests were Mr. and Mrs. Joe Walzel and son of Austin, Mrs. Guy Lyons and daughters of Houston, Mr. and Mrs. Albert Sheguit of Houston, Mr. and Mrs. Otto Boedeker, Evelyn and Leon of Taylor, Cpl. and Mrs. Lawrence Boedeker of North Carolina, Mrs. W. C. Keith of Sinton, Mr. and Mrs. Willie Duncan and Leo Duncan of Killeen, Mr. and Mrs. Duncan, Mrs. Bertha Roberts and Edith Lynn, all of San Antonio, Mr. and Mrs. Allen of Dallas and Charles Ulrich of San Antonio.

Mrs. Marie Franklin Entertains Sunday School Class

After playing several party games, refreshments of angel food and cake and ice cream with fruit punch were served by the hostess.

Attending were Mrs. Jimmy Asher, Mrs. Gladys Dusek, Mrs. T. G. Raymond, Mrs. Thelma Ray Barrett, Mrs. Roy Wright, Mrs. Alvin Hefft, Mrs. Ben Edmonds, Mrs. Ruby Pamper, Mrs. J. D. Moore and Mrs. Marie Franklin.

Mr. and Mrs. Howard Schwarting Honored On Silver Anniversary

Mr. and Mrs. Howard Schwarting of Rosenberg, and former residents of Milam County, were honored at open house Sunday, Dec. 27, from 2:30 until 6:30 on the occasion of their twenty-fifth wedding anniversary. The party was held at the home of the honored couple's only child and son-in-law, Mr. and Mrs. Teddy Stavinocha at their country home southwest of Highland Acres.

Guests were registered by Miss Barbara Massengale. Mr. and Mrs. Schwarting and Mrs. Stavinocha received guests. Mrs. Schwarting wore a brown velvet skirt, cream-colored jersey blouse and brown accessories. Her corsage was of carnations and a miniature spoon in her silver pattern was attached at the bottom of the flowers.

Arrangements of white mums were used at vantage points in the living and dining rooms and also in the bedroom, where the gifts were displayed.

A lace covered table held the double-ring wedding cake, frosted in white and trimmed in silver with the large letters 25 in silver. It was baked by Mrs. C. C. Garner, friend of the honored couple.

Three huge white mums were used around the silver punch service, from which wide white satin streamers extended to the edge of the cover. The tea napkins were inscribed with Willie Mae and Howard in silver. Mrs. W. L. Keith, sister of Mrs. Schwarting, poured punch. White cake squares were served by Miss Margaret Hausler.

Mrs. Frank Laurents of Thibodeaux, Louisiana, Mrs. Schwarting's sister, and Miss Kathryn Hausler showed the gifts. All in the house party and Mrs. Stavinocha wore corsages of white feathered mums.

*To every woman who thinks
a clothes dryer is a Luxury...*

If you took the second "a" out of the sentence above, you'd be right. A clothes dryer is **luxury**! But it's not a luxury in the money-could-have-been-better-spent sense of the word.

There are lots of ways that a clothes dryer will save you money as well as work. You don't have to buy as many clothes, sheets, towels, or baby things when you have a gas dryer. Laundry takes so little of your time that you can squeeze it into your schedule more often. (And a dryer cuts out a third of your ironing!)

You aren't the least bit dependent on the weather when you have a gas dryer. You can give your clothes the ultra-violet lamp's sunshine treatment any day (or night) ... rain or shine! And there's no wind-whipping, clothes-pin ripping or sun-fading that make clothes wear out so much faster. Gas-dried things last twice as long!

Clothes drying with gas in most areas is four times as economical as with any other automatic fuel. The fuel cost itself is lower, plus no costly, slow warm-up. Automatic gas dryers dry clothes twice as fast. Their installation costs less.

See the new automatic gas dryers today. You'll be surprised at what they can do!

After Fischer's discussion on Soil Conservation Districts, Wayne Mann and R. B. McDonald, Soil Conservation Service technicians from the Cameron Work Unit, explained how the SCS worked with Soil Conservation Districts. They told how each soil on a farm is mapped by a soil scientist and how land capabilities were determined. After the land capabilities have been determined, the SCS technicians and the farmer get together to plan conservation practices for the farm.

J. D. Moore, Milam County Agricultural Agent, explained how to take soil samples for chemical analysis. He also urged the farmers to follow the fertilizer recommendations from the soil testing laboratory.

Cornelius Tittsworth, farmer and vocational agriculture teacher from Buckholts, told the group how to get technical assistance from each of the government agencies in the county. He pointed out that they were agencies for the farmer's benefit and he asked the farmers to make all possible use of these agencies.

Before the meeting adjourned, Mann announced group meetings on the following farms for planning and applying conservation practices: O. W. Whittington, January 20, 1 p.m., Cornelius Tittsworth, February 3, 10:30 a.m. All farmers in the vicinity of these farms are invited to attend the meetings.

the Taylor Ducks. Both teams have shown up in competition from non-district teams.

The Yoemen, winning three games out of thirteen, have showed improvement with every game played this year. Although the non-impressive record of the team shows them on the bottom, the Yoemen have played some of Central Texas' best basketball teams, and all but about one or two, were lost by only one to three points. The Yoemen cagers have been classified as the district darkhorse and what the outcome will be won't be known until the final bell sounds in every game.

The first district clash begins at 6:45 in the Georgetown gym when the E-teams meet. The main district event begins at 8 p.m. This important battle places the defending champs and the runners up of last year together. The Yoemen defeated George-
